

UNIVERSITY OF THE PHILIPPINES OPES-PMS CPDMO CMO OCA REFERENCE TABLE

CODE	FUNCTIONS	OUTPUT KRA	PERFORMANCE INDICATOR	TIME	POINTS	OPERATIONAL DEFINITION
ADMINIS	TRATIVE SECTION					
ADM-01	To monitor attendance of staff	Log in/out of staff monitored	per staff	10.20	0.17	Checks DTR, prepares summary of absence, tardiness, compensatory time-off etc.
ADM-02	To prepare letters and other correspondence	Letter (for signature of the unit head) drafted and finalized	per letter	45.00	0.75	correspondence for signature of authorized
ADM-03	To prepare request for repair of equipment and fabrication of equipment	Request prepared	per request	4.80	0.08	Prepares Job Order Request (JOR), pre- and post-inspection report, verifies Receipt of Equipment (ARE)
ADM-04	To prepare request for Linen Job Order manufacturing of linens (for PGH)	Request prepared	per linen job order	60.00	1.00	Consolidates RIS by size, color, item; prepares request for Linen Job Order (LJO)
ADM-05	To prepare minutes of meeting of the Personnel Committee (APC)	Minutes prepared	per meeting	60.00	1	Prepares draft and finalizes the minutes of meeting of section heads and SPMO Admistrative Personnel Committee (APC)
ADM-06	To prepare monthly report of Official Travel	Report prepared	per report	4.80	0.08	Prepares monthly report of official travel
ADM-07	To prepare Purchase Request (PR), Requisition Issue Slip (RIS), Stock commonly use office supplies Position Sheet (SPS), Letter Order (LO) and other attachments for request of	Request prepared	per request	1.20	0.02	Prepares PR, RIS, SPS, LOs and other attachments
ADM-08	To prepare PR, RIS, SPS, LO and other attachments for request of medical supplies/drugs and medicines, chemicals and reagents	Request prepared	per item	4.80	0.08	Prepares PR, RIS, SPS, LOs and other attachments
ADM-09	To prepare PR, RIS, SPS, LO and other attachments for request of medical and laboratory equipt.	Request prepared	per item	15.00	0.25	Prepares PR, RIS, SPS, LOs and other attachments
ADM-10	To prepare PR, RIS, SPS, LO and other attachments for request of office equipt.	Request prepared	per item	10.20	0.17	Prepares PR, RIS, SPS, LOs and other attachments
ADM-11	To prepare Disbursement Voucher(DV), Budget Utilization Request (BUR), Obligation Request(ObR) and other attachment for request of supplies/ equipt. Or for payment	Request prepared	per document	10.20	0.17	Prepares DV, BUR, ObR and other attachments
ADM-12	or supplies/equipt. for payment	Consolidation of request prepared	per request	4.80	0.08	Consolidates all required attachments for preparation of payment
ADM-13	To prepare settlement of cash advances/Summary of Expenses	Cash advance/summary of expenses prepared	per cash advance	1.80	0.03	Prepares settlement of cash advance report
ADM-14	To prepare Cash Disbursement Report	CD report prepared	per report	1.80	0.03	Records purchases to Cash Book
ADM-15	To prepare Petty Cash Replenishment Report	Report prepared	per report	1.80	0.03	Prepares Petty Cash Replenishment Report

						Prepares and consolidates Report of Fuel
ADM-16	To prepare report of Fuel Consumption	Monthly report prepared	per report	1.80	0.03	Consumption
ADM-17	To prepare Performance Target Report of CPDMO staff	PT report prepared	per PT report	30.00	0.50	Prepares and reviews Performance Target of CPDMO Staff
ADM-18	To prepare Performance Evaluation Report of CPDMO staff	PER prepared	per PER	30.00	0.50	Prepares and evaluates the PR of CPDMO staff
ADM-19	To prepare the Annual Procurement Plan (APP)/Project Procurement Management Plan (PPMP) of CPDMO	APP/PPMP prepared	per plan	1.80	0.03	Prepares PPMP and APP
ADM-20	To prepare CPDMO Accomplishment Report	Accomplishment Report are prepared	per report	960.00	16.00	Prepares draft and finalize CPDMO Accomplishment Report
ADM-21	To register the UP vehicles with LTO	Registration prepared	per vehicle	480.00	8.00	Registers official vehicles to LTOs
ADM-22	To secure vehicle clearance from Philippine National Police (PNP)/Traffic Management Group (TMG)	clearance prepared	per clearance	480.00	8.00	Secures vehicle clearance from PNP/ TMG/others
ADM-23	To process accident report/claim for GSIS insurance.	Report/Claim prepared	per report/claim	480.00	8.00	Processes accident report/claim to GSIS
ADM-24	To check the vehicle if in good running condition.	vehicle checked	per vehicle	30.00	0.50	Checks the condition of the vehicle
ADM-25	To maintain orderliness of CPDMO storeroom/office	office cleaned	per office	60.00	1.00	Maintains CPDMO office
ADM-26	To facilitate appointment/ renewal of CPDMO staff	Renewal of CPDMO staff facilitated	per staff	10.20	0.17	Prepares recommendation for renewal of appointment
ADM-27	To acknowledge receipt of cash from Special Disbursing Officer (SDO)	Receipt of cash acknowledged	per cash advance	4.80	0.08	Acknowledges receipt of cash from SDO
ADM-28	To evaluate non-UP funded infrastracture project	Project evaluated	per project	60.00	1	Evaluates Non-UP project infrastructure project
ADM-29	To issue Permit to Construct/ Location of temporary facilities	Permit issued	per permit	30.00	0.5	Issues permit to construct/Location of temporary facilities
ADM-30	To compute Space and Utilities rental	Rental computed	per rental	30.00	0.5	Computes space and utilities rental
ADM-31	To Prepare referral slip for each document for approval and signature of the Head of Unit	Referral slip of each document (for approval and signature of unit head) prepared	per document	15.00	0.25	Prepares referral slip for each document (for signature of unit head)
ADM-32	To prepare request for bacteriological analysis of water	Request prepared	per request	15.00	0.25	Prepares request for bacteriological water analysis
ADM-33	To prepare report of Fuel Consumption	Report prepared	per report	18.00	0.3	Prepares Report of Fuel Consumption
ADM-34	To receive communications, letters, End-User requests, consultant submissions and other documents (herein collectively referred to as received documents)	Documents received	per document	9.00	0.15	Receives documents
ADM-35	To course received documents through other sections of the office	Routing of documents received	per document	9.00	0.15	Route documents received to respective sections of the office
ADM-36	To prepare received documents	documents prepared	per document	15.00	0.25	Prepares documents
ADM-37	To monitor attendance of CPDMO staff	Attendance monitored	per staff	120.00	2	Checks DTR, prepares summary of absence, tardiness, compensatory time-off etc.
ADM-38	To prepare minutes of meeting	Minutes of meeting of section heads and SPMO APC are prepared	per meeting	120.00	2	Prepares draft and finalize the minutes of meeting
ADM-39	To prepare letters and other correspondence	Correspondence/Letter prepared	per letter	120.00	2	Prepares and finalizes letters and other correspondence (for signature of authorized official).

ADM-40	To record contractors' billing	Billing recorded	per billing	30.00	0.5	Records contractors billing
ADM-41	To monitor and prepare basic papers for original appointments and renewal of appointments	Basic papers prepared and monitored	per BP	60.00	1	Prepares and monitors the basic paper (Renewal and Orignal appointment)
ADM-42	To Inventory office supplies	Inventory prepared	per checklist	120.00	2	Prepares inventory of officfe supplies
CENTRAL S	STOREROOM SECTION			-		
CSS-01	To prepare and update pricelist as basis for the preparation of APP	Pricelist prepared	per list	1.20	0.02	Prepares and updates pricelist
CSS-02	To receive stocks	Stocks received	per stock	4.80		Receives stocks
CSS-03	To receive stock office/IT equipment	Equipment received	per equipment	10.20	0.17	Receives office stocks/IT equipment
CSS-04	To prepare Inspection and Acceptance Report (IAR) for goods	Report prepared	per report	1.80	0.03	Prepares IAR for goods (either accepted or rejected)
CSS-05	To prepares request for inspection and inspect items delivered	Request prepared/ Items inspected	per request/item	10.20	0.17	Prepares request for inspection and Inspects deliveries (based on specifications stated in the PO/LO)
CSS-06	To record supplies issued in the log book/ Stockcard	Supplies recorded	per supply	1.20	0.02	Record supplies received
CSS-07	To prepare Monthly Report of Supplies) Received and Issue (MRSRI) or Report of Supplies and Materials Issued (RSMI) or summary of manufactured linens issued/cost of laundry for submission to various offices/ward	Report received	per report	1.20	0.02	Prepares MRSRI/RSMI/summary of manufactured linens issued/cost of laundry
CSS-08	To reconcile physical inventory of goods against stock card/database	Inventory reconciled	per goods	1.20	0.02	Reconciles physical inventory of goods against stockcard/database
	WARD SECTION			-		
BAS-01	To prepare Invitation to Bid (ITB)	Invitation prepared	per invitation	4.80	0.08	Prepares ITB (for posting)
BAS-02	To advertise approved ITB at PhilGEPS, SPMO Website, Bulletin Board and Newspaper (for Goods)	Approved ITB posted (for goods)	per ITB	19.80	0.33	Posts ITB at Philgeps, SPMO Website, Bulletion Board and Newspaper of general circulation (FOR GOODS)
BAS-03	To advertise approved ITB at PhilGEPS, SPMO Website, Bulletin Board and Newspaper (UP PGH)	Approved ITB posted (UP PGH)	per ITB	45.00	0.75	Posts ITB at Philgeps, SPMO Website, Bulletion Board located in conspicous places and Newspaper of general circulation (UP PGH)
BAS-04	To advertise approved ITB at PhilGEPS, SPMO Website, Bulletin Board and Newspaper (for infra)	Approved ITB posted (for Infra)	per ITB	45.00		Posts ITB at Philgeps, SPMO Website, Bulletion Board located in conspicous places and Newspaper of general circulation (for Infra)
BAS-05	To prepare bidding documents	Documents prepared	per document	30.00		Prepares bidding documents
BAS-06	To prepare bidding agenda and notice of bidding to end-users, BAC members, TWGs and others	Agenda prepared	per agenda	30.00	0.50	Prepares bidding agenda and notice of bidding
BAS-07	To prepare eligibility checklist of requirements for presentation during BAC Meeting	Checklist prepared	per checklist	30.00	0.50	Prepares eligibility checklist of requirements for BAC Meeting
BAS-08	To issue Certificate of Eligibility/ ineligibility and registration to prospective bidders	Certificate issued	per certificate	30.00	0.50	Issues certificate of eligibility/ ineligibity and registration
BAS-09	To prepare bid folders of prospective bidders	Bid folders prepared	per folder	15.00	0.25	Prepares bid folders of prospective bidders
BAS-10	To issue Order of Payment and bidding documents	Documents and payments issued	per document/payment	15.00	0.25	Issues order of payment and bidding documents
BAS-11	To prepare, post and issue bid bulletin (amendment)	bid bulletin prepared	per bulletin	30.00	0.50	Drafts, finalizes, posts and issues bid bulletin (amendment)

		T	T			
BAS-12	To receive bid documents/ quotations from suppliers	Bid documents/quotations received	per document	3.00	0.05	Receives bid documents/quotations
BAS-13	To issue certification for refund of bidders and performance bond	Certification and performance bond issued	per certificate	4.80	0.08	Issues certificate for refund of bidders and performance bonds
BAS-14	To issue notification of bidding result to end- user/supplier	Notification issued	per notification	4.80	0.08	Issues notification of bidding results to end user/supplier
BAS-15	To prepare Notice of Post qualification	Notice prepared	per notice	4.80	0.08	Prepares (drafts, finalizes and issues) Notice of Qualification
BAS-16	To prepare BAC Resolution	BAC resolution prepared	per resolution	15.00	0.25	Prepares (drafts and finalizes) BAC Resolution
BAS-17	To prepare Notice of Award	Notice prepared	per notice	4.80	0.08	Prepares Notice of Award
BAS-18	To prepare Notice of Award (equipment)	Notice prepared (equipment)	per notice	15.00	0.25	Prepares Notice of Award (for equipment)
BAS-19	To prepare minutes of BAC meeting	Minutes prepared	per meeting	60.00		Prepares minutes of BAC meeting
BAS-20	To prepare Contract for highly technical equipment/ infra/ services	Contract prepared	per contract	60.00	1.00	Prepares (drafts and finalizes) contract for highly technical equipment/ infra/ services
BAS-21	To prepare Notice to Proceed/ Work Order	Notice prepared	per notice	4.80	0.08	Prepares notice to proceed/ work order
BAS-22	To submit documents for pre-audit of COA (infra/services)	Documents submitted	per document	30.00	0.50	Prepares documents for submission to COA (infra/services)
BAS-23	To prepare Request for Authority to Purchase through Alternative Mode	Request prepared	per request	3.00	0.05	Prepares request for authority to purchase through alternative mode
BAS-24	To send request for quotation	Quotation sent	per quotation	3.00	0.05	Sends request for quotations to prospective suppliers
BAS-25	To prepare abstract of prices for submitted quotations	quotations prepared	per quotation	10.20	0.17	Prepares abstract of prices for submitted quotations
ARCHITEC	TURAL & ENGINEERING SECTION			-		
AES-01	To prepare reports based on site inspection	Report prepared	per inspection	180.00	3	Prepares reports based on site inspection
AES-02	To conduct project deliberation with end-user (data gathering)	Data gathered	per data	120.00	2	Data gathering and coordinates with End-User (per infrastructure project may be more than
AES-03	To prepare request for permit (utilities)	Request prepared (utilities)	per utility	4.80	0.08	Prepares request for permit (utilities)
AES-04	To prepare request for permits (building)	Request prepared (building)	per utility	4.80	0.08	Prepares request for permit (building)
AES-05	To prepare computer-aided schematic drafting,	Drafts prepared	per draft	120.00	2	Prepares computer aided schematic drafting
AES-06	To prepare manual sketches	Sketch prepared	per sketch	120.00	2	Prepares manual sketches
AES-07	To prepare detailed CADD	CADD prepared	per CADD	240.00	4	Prepares detailed CADD
AES-08	To prepare budget estimate	Budget estimate prepared	per budget estimate	60.00	1	Prepares budget estimate
AES-09	To prepare detailed estimate for new construction (500,000 below)	Estimate prepared	per project	480.00	8	Prepares detailed estimate (new construction, 500,000 below)
AES-10	To prepare detailed estimate for new construction (500,000 – 5M)	Estimate prepared	per project	2,400.00	40	Prepares detailed estimate (new construction, 500,000 -5M)
AES-11	To prepare detailed estimate for new construction (5 and above)	Estimate prepared	per project	7,200.00	120	Prepares detailed estimate (new construction, 5 and above)
AES-12	To prepare detailed estimate for renovation (500,000 below)	Estimate prepared	per project	960.00	16	Prepares detailed estimate for renovation (500,000 below)
AES-13	To prepare detailed estimate for renovation (500,000 – 5M)	Estimate prepared	per project	4,800.00	80	Prepares detailed estimate for renovation (500,000-5M)
AES-14	To prepare detailed estimate for renovation (5 and above)	Estimate prepared	per project	14,400.00	240	Prepares detailed estimate for renovation (5 and below)
AES-15	To prepare technical specifications (new)	Specs prepared	per specifications	1,440.00	24	Prepares technical specifications (new)
AES-16	To prepare technical specifications and scope of work (repair & renovation)	Specs prepared	per specifications	1,920.00	32	Prepares technical specifications and scope of work (repair & renovation)
AES-17	To evaluate and prepare Variation Orders	Variation Orders evaluated and prepared	per VO	1,440.00	24	Evaluates and prepares Variation Orders

AES-18	To prepare project accomplishment/ status report /acceptance/ progress billing per project inspection conducted	Report prepared	per project	1,440.00	24	Prepares project accomplishment/ status report/ acceptance/ progress billing per project inspection conducted
PROJECT	MANAGEMENT SECTION					
PMS-01	To prepare Notices of Extension, Suspension and Resumption of projects as a result of any recommendations for work changes and/or time extensions	Notices prepared	per project	1,440.00	24	Prepares Notices of Extension, suspension of resumption of projects
PMS-02	To prepare Certificates of Completion	Certificate prepared	per certificate	720.00	12	Prepares certificate of completion
SANITATIO	N AND WATER UTILITIES SECTION (SWUS)	<u> </u>	·	-		
SWU-01	To collect about 10 cu. meters of solid waste daily	Waste collected	per cu. m.	30.00	0.5	Collects solid waste daily
SWU-02	To cover residual waste (600 sq.m.) at the disposal site	Disposal site sanitized	per sq. m.	30.00	0.5	Sanitizes residual waste (600 sq.m.) at the disposal site
SWU-03	To dispose toxic waste by encapsulation	Toxic waste disposed /encapsulated	per cu. m.	60.00	1	Disposes toxic waste by encapsulation
SWU-04	To maintain waste stabilization pond (2600 sq. m. area)	Stabilization pond maintained	per sq. m.	30.00	0.5	Maintain waste stabilization pond (2600 sq. m. area)
SWU-05	To operate Water Treatment Plant and maintain cleanliness of the plant facilities as follows Rapid Sand Filter, Storage Basin Collector Well NOTE: 365 working days in a year	Treatment maintained	per cu. m.	15.00	0.25	Operates water treatment plant and maintains cleanliness of the plant facilities
SWU-06	To repair and maintain the main and secondary distribution pipelines for water in the university	Pipelines repaired and maintained	per job basis	120.00	2	Repairs and maintains main and secondary distribution of pipeliness for water in the university
CARPENTE	RY					
Preventive						
CAR-1	To Inspect wood sidings for repair(such for loose,broken, boards,warped,paints deterioration,termite infestation)	Repair inspected	per unit	5	0.083333333	Inspects repair for wood sidings
CAR-2	To Inspect office tables,chairs,& furniture for repair	Repair inspected	per unit	3	0.05	Inspects repair of office tables, chairs and furnitures
CAR-3	To Inspect cracks on floors & walls on bldgs of different units and colleges	Cracks inspected	per sq.m.	2	0.033333333	Inspects cracks (floors and walls) in buildings of different units and colleges
CAR-4	To Inspect asphalt walks & driveways(search for cracks,settling, spalling,hazards	Asphalted areas inspected	per sq.m.	3	0.05	Inspects asphalted walks & driveways (for hazards)
CAR-5	To Inspect concrete paved areas of sports facilities such as basketball & tennis court (search for cracks, settling,hazards)	Concrete areas inspected	per sq.m.	3	0.05	Inspects hazardous areas in concrete paved areas of sports faicilities(basketball & tennis court)
CAR-6	To Inspect fences for repair(search for loose joints, cracks, broken portion settlings)	Repair inspected	per sq.m	3	0.05	Inspects fences for repair
CAR-7	To Inspect catch basins for repair(search for cracks & leaks)	Repair inspected	per location	5	0.083333333	Inspects catch basins for repair
CAR-8	To Inspect riprapping works for open canals (search for cracks & settlements)	Riprapping works inspected	per sq.m.	5	0.083333333	Inspects and searches for cracks and settlements in open canals
Corrective	Maintenance					
CAR-9	To replace existing doorknob (mh/set)	Doorknobs replaced	per set	96	1.6	Replaces existing doorknob
CAR-10	To modify existing flush door (alteration)	Alteration modified	per piece	240	4	Modifies and alters exiswtng flush door

CAR-12 frametypamin) To repair flushippamid con (Replacement of the Doors repaired per sq.ft. 5.62 0.083966687) Annies act) To repair flushippamid con (Replacement of the Doors repaired per sq.ft. 7.5 0.125 Regains blackboard For repair flushippamid con (Replacement of the Doors repaired per sq.ft. 7.5 0.125 Regains blackboard For repair flushippamid con (Replacement of the Doors repaired per sq.ft. 7.5 0.125 Regains blackboard For repair flushippamid con (Replacement of the Doors repaired per sq.ft. 7.5 0.125 Regains blackboard For repair flushippamid con (Replacement of the Doors flashinated per piece 240 4 Fabricates in the Bush door Doors flashinated per piece 240 4 Fabricates in the Bush door CAR-16 To Institute heavy flushinated per piece 240 4 Fabricates in the Bush door Doors flashinated per piece 240 4 Fabricates in the Bush door CAR-16 To Institute heavy flushinated per piece 240 4 Fabricates in the Bush door CAR-17 To Institute the Bush door Doors flashinated per per sq.ft. 7.5 0.125 Fabricates blackboard For remove and replace door closer Doors closer replaced per piece 80 1 To Replace comise Control of the Bush door Color of the Bush doors Doors closer replaced per piece 80 1 To Replace comise Control of the Bush doors Doors closer replaced per piece 80 1 To Replace comise Control of the Bush doors Doors closer replaced per sq. ft. 7.5 0.125 Fabricates blackboard Color of the Bush doors Doors closer replaced per piece 80 1 To Replace comise Control of the Bush doors Doors closer replaced per piece 80 1 To Replace comise Control of the Bush doors Doors closer replaced per sq. ft. 7.5 0.125 Fabricates blackboard Color of the Bush doors Doors closer replaced per sq. ft. 7.5 0.125 Fabricates blackboard Color of the Bush doors doors ft. 7.5 0.125 Fabricates blackboard Color of the Bush doors doors ft. 7.5 0.125 Fabricates blackboard Color of the Bush doors doors ft. 7.5 0.125 Fabricates Color of the Bush doors doors ft. 7.5 0.125 Fabricates Color of the Bush doors doors ft. 7.5 0.125 Fabricates Col	CAR-11	To repair bulletin board (alteration without finishing/paint)	Board repaired/altered	per sq.ft.	3.75	0.0625	Repairs and alters bulletin board (without finishing/paint)

MTR-10	f. To clean parts & accessories (1 hr)	f. Parts & accessories (1 hr) cleaned				f. Cleans parts & accessories (1 hr)
MTR-11	g. To replace defective parts (2 hrs.)	g. Defective parts (2 hrs.) replaced				g. Replaces defective parts (2 hrs.)
MTR-12	h. To re-install engine to vehicle (4 hrs.)	h. engine to vehicle (4 hrs.) re- installed				h. Re-installs engine to vehicle (4 hrs.)
MTR-13	I. To re-install other parts to engine (3 hrs.)	I. Other parts to engine (3 hrs.) reinstalled				I. Re-installs other parts to engine (3 hrs.)
	To repair/ maintain Truck and Heavy Equipment	Truck and Heavy Equipment repaired/maintained				repairs/maintains Truck and Heavy Equipment
MTR-14	a. To check-up/ inspect vehicle	a. Vehicle checked-up and inspected	per unit	60	1	a. Checks-up/inspects vehicle
MTR-15	b. To adjust secondary clutch master	b. Secondary clutch master adjusted	per unit	15	0.25	b. Adjusts secondary clutch master
MTR-16	c. To adjust fan belt	c. fan belt adjusted	per unit	15	0.25	c. Adjusts fan belt
MTR-17	d. To adjust brakes	d. brakes adjusted	per set of 4 pieces	180	3	d. Adjusts brakes
	To change oil and filter	Oil and filter changed	per unit	180	3	Changes oil and filter
MTR-18	a. To change used oil	a. Used oil changed	Per approx 20 liters			Changes used oil
MTR-19	b. To pull-out of filter for replacement	b. Filter for replacement pulled- out	per 2 pieces			Pulls-out of filter for replacement
MTR-20	c. To Install new filter	c. New filter installed	per 2 pieces			Installs new filter
MTR-21	d. To pour new oil to engine	d. New oil to engine poured	Per approx 20 liters			Pours new oil to engine
	To replace fuel pumps	Fuel pumps replaced	per unit	480	8	replaces fuel pumps
MTR-22	a. To replace water pump	a. Water pump replaced	F			a. Replacs water pump
MTR-23	b. To dismantle fan blade assembly	b. Fan blade assembly dismantled				b. Dismantles fan blade assembly
MTR-24	c. To pull out defective water pump	c. Defective water pump pulled- out				c. Pulls out of defective water pump
MTR-25	d. To clean affected area	d. Affected area cleaned				d. Cleans affected area
	Activities on trucks and Heavy Equipment	Activities on trucks and Heavy Equipment				Activities on trucks and Heavy Equipment
MTR-26	e. To install new water pump	e. New water pump installed	per unit	180	3	e. Installa new water pump
MTR-27	f. To re-install fan blade with pulley	f. Fan blade with pulley re=installed	per unit	300	5	f. Re-installs fan blade with pulley
MTR-28	g. To re-install radiator assembly	g. Radiator assembly reinstalled	per unit	120	2	g. Re-installs radiator assembly
	To replace clutch lining and pressure plate	Clutch lining and pressure plate replaced	per unit	1440	24	replaces clutch lining and pressure plate
MTR-29	a. To dismantle propeller	a. Propeller dismantled				a. Dismantles propeller
MTR-30	b. To dismantle transmission assembly and	b. Transmission assembly and				b. Dismantles transmission assembly and
WITIN-30	other linkages	other linkages dismantled				other linkages

MTR-31	c. To pull-out defective clutch lining	c. Defective clutch lining pulled- out				c. Pulls-out defective clutch lining
MTR-32	d. To pull out defective pressure plate	d. Defective pressure plate pulled-out				d. Pulls out of defective pressure plate
MTR-33	e. To pull-out defective clutch lining	e. Defective clutch lining pulled-out				e. Pulls-out defective clutch lining
MTR-34	f. To install new replacement	f. New replacement installed				f. Installs new replacement
MTR-35	g. To re-install transmission assembly and other linkages	g. Transmission assembly and other linkages re-installed				g. Re-installs transmission assembly and other linkages
MTR-36	h. To re-install propeller	h. Propeller re-installed				h. Re-installs propeller
	To clean fuel tank and fuel lines incl;	fuel tank and fuel lines cleaned incl:	per unit	240	4	cleans fuel tank and fuel lines
MTR-37	a. To drain fuel	a. fuel drained				a. Drains fuel
MTR-38	b. to clean fuel filter	b. fuel filter cleaned				b. cleans fuel filter
MTR-39	c. To clean tank	c. tank cleaned				c. Cleans tank
MTR-40	d. Returning of gas or fuel to tank	d. Returning of gas or fuel to tank				d. Returning of gas or fuel to tank
MTR-41	To clean pressurized hose and compressor of Payloader	pressurized hose and compressor of Payloader cleaned	per unit	240	4	cleans pressurized hose and compressor of Payloader
MTR-42	To repair brakes of Payloader	Brakes of payloader repaired	per unit	1440	24	repairs brakes of Payloader
MTR-43	To clean-up/ inspection of vehicle	Vehicle cleaned-up/inspected	per unit	60	1	cleans-up/inspects vehicle
	To tune up gasoline engine incl:	Gasoline engine tuned-up incl:	per unit	240	4	tunes up gasoline engine
MTR-44	a. To clean or replace spark plug	Spark plug cleaned up or replaced	per 4 pieces			a. Cleans or replaces spark plug
MTR-45	b. To replace contact point	b. contact point replaced	per unit			b. Replaces contact point
MTR-46	c. To replace condenser	c. Condenser replaced	per unit			c. Replaces condenser
MTR-47	d. To adjust timing gear	d. timing gear adjusted	per unit			d. Adjusts timing gear
MTR-48	To adjust secondary clutch master	e. secondary clutch master adjusted	per piece	10	0.166666667	e. Adjusts secondary clutch master
MTR-49	To adjust fan belt (5 mins)	f. Fan belt (5 mins) adjusted	per piece	5	0.083333333	f. Adjusts fan belt (5 mins)
MTR-50	To adjust brakes (2 hrs.)	g. brakes (2 hrs.) adjusted	per 4 pieces.	120	2	g. Adjusts brakes (2 hrs.)
	To clean and replace oil filter incl:	oil cleaned and filter replaced incl:		120	2	Cleans and filters oil
MTR-51	a. To drain used oil	a. Used oil drained	per 8 liters			a. Drains used oil
MTR-52	b. To pull-out of filter for replacement	b. Filter for replacement pulled- out	per piece			b. Pulls-out of filter for replacement
MTR-53	c. To iInstall new filter	c. New filter installed	per piece			c. Installs new filter
MTR-54	d. To pour new oil to engine	d. New oil to engine poured	per 8 liters			d. Pours new oil to engine
MTR-55	To replace fuel pump	Fuel pump replaced	per piece	30	0.5	replaces fuel pump
	To replace water pump incl.	water pump replaced	per piece	240	4	replaces water pump
MTR-56	a. To dismantle radiator assembly	a. Radiator assembly dismantled	per unit			a. Dismantles radiator assembly
MTR-57	b. To pull out fan blade	b. fan blade pulled-out	per unit			b. Pulls out fan blade
MTR-58	c. To pull out defective water pump	c. defective water pump pulled- out	per unit			c. Pulls out defective water pump
MTR-59	d. To clean affected area	d. affected area cleaned	per unit			d. Cleans affected area
MTR-60	e. To install new water pump	e. new water pump installed	per unit	1		e. Installs new water pump
	f. To re-install new fan blade	f. New fan blade re-installed	per unit	1	 	f. Re-installs new fan blade

MTR-62	g. To re-install radiator assembly	g. radiator assembly re-installed	per unit			g. Re-installs radiator assembly
	To replace clutch lining and pressure plate	clutch lining and pressure plate replaced		480	8	replaces clutch lining and pressure plate
MTR-63	a. To dismantle propeller	a. propeller dismantled	per piece			a. Dismantles propeller
MTR-64	b. To dismantle transmission and other linkages	b. transmission and other linkages dismantled	per unit			b. Dismantles transmission and other linkages
MTR-65	c. To pull-out defective clutch lining	c. Defective clutch lining pulles- out	per piece			c. Pulls-out defective clutch lining
MTR-66	d. To pull out defective pressure plate	d. Defective pressure plate pulled-out	per piece			d. Pulls out defective pressure plate
MTR-67	e. To pull out defective release bearing	e. defective <i>release</i> bearing pulled-out	per piece			e. Pulls out defective release bearing
MTR-68	f. To install new replacement	f. New replacement installed	per 3 pieces.			f. Installs new replacement
MTR-69	g. To re-install transmission & other linkages	g. transmission & other linkages re-installed	per unit			g. Re-instals transmission & other linkages
MTR-70	h. To re-install propeller	h. propeller re-installed	per unit			h. Re-installs propeller
	To operate	operated				operates
MTR-71	a. Payloader	a. Payloader	per hour of operation	60		a. Payloader
MTR-72	b. Mini payloader	b. Mini payloader	per hour of operation	60		b. Mini payloader
MTR-73	c. Roadroller	c. Roadroller	per hour of operation	60		c. Roadroller
MTR-74	To pull-out defective brake and clutch master	defective brake and clutch master pulled-out	per piece	60	1	Pull-outs defective brake and clutch master
MTR-75	To pull-out secondary clutch	secondary clutch pulled-out	per piece	30	0.5	Pulls-out secondary clutch
MTR-76	To install brake and clutch maser	brake and clutch maserinstalle3d	per piece	120	2	Installs brake and clutch maser
MTR-77	To install secondary clutch	secondary clutch installed	per piece	60	1	Installs secondary clutch
MTR-78	To tow stalled vehicle	stalled vehicle towed	per piece		0	Tows stalled vehicle
MTR-79	To install hydraulic oil seal on payloader	Hydraulic oil seal on payloader installed	per piece	60	1	Installs hydaulic oil seal on payloader
MTR-80	To pull-out defective hand brake cable	defective hand brake cable pulled- out	per piece	120	2	Pullsout defecive hand brake cable
MTR-81	To re-install new hand brake cable	new hand brake cable re-installed	per piece	180	3	Re-installs new hand brake cable
MTR-82	To repair portable water pump	portable water pump repaired	per piece	480	8	Repairs portable water pump
MTR-83	To repair power scythe and mower	power scythe and mower repaired	per piece	480	8.00	Repairs power scythe and mower
MTR-84	To top overhaul engine of van	engine of van top overhauled	per piece	480	8.00	Top overhauls engine of van
MTR-85	To top overhaul engine of truck	engine of truck top overhauled	per piece	960	16.00	Top overhaulis engine of truck
MTR-86	To conduct periodic preventive maintenance of equipment and service vehicle	periodic preventive maintenance of equipment and service vehicle conducted	per vehicle	60	1.00	Conducts periodic preventive maintenance of equipment and service vehicle
	WER AND DRAINAGE SECTION					
ROADS						
RSD-1	To repair curb and gutter	curb and gutter repaired	per meter	60	1.00	repairs curb and gutter
RSD-2	To do laying of base course, etc.	base course laying done	per sq.m.	2	0.03	does laying of base course, etc.
RSD-3	To asphalt/patch potholes, etc	potholes asphalted/patched	per hole	5	0.08	asphalts/patches potholes, etc
RSD-4	To install barricades	barricades installed	per piece	5	0.08	installs barricades
RSD-5	To mix/cook asphalt for patching	Asphalt for patching mixed/cooked	per drum	300	5.00	mixes/cooks asphalt for patching
	To missoon appliant for patering	nophali for patering mixed/cooked	por druin		5.00	mixes, sooks aspiral for patering
